Ans c) The rainbow was made over the giant waterfall beside / next to

Nanabozho's house .

8. Long Question and Answer :

a) What kind of life did Joji live in the farm ?

(5)

Ans - Joji lived in the farm with his parents and siblings . All his brothers and sisters

helped their parents in their daily task but Joji did nothing for hours . All he did was

to draw cats with a stick in the dirt. . The cats were of different sizes .

Even though he tried to do other things he would forget and draw another cat
when he sees another farm cat go by .

b) Describe the Rainbow in details.

(5)

Ans - The rainbow was formed over the giant waterfall which stood beside

Nanabozho's house .The rainbow looked vivid and radiant with the gorgeous

arch of violet , indigo , blue , green, yellow , orange and red . It shimmered

beautifully in the bright sunshine .

c) Write the summary of the poem, 'What Became Of Them '

(5)

Ans - Once there were two black rats who lived in a hole together .

They loved each other very much as they joked and complimented

each other .They never took any decision alone but always stayed together.

They were really happy being with each other . However , one day they

tasted cheese and liked it very much and they wanted to add it to their daily

meals . So, they went out and departed from each other with great sorrow.

After that nobody knows what happened to them as they never came back again .
