**14. Write a short paragraph on the following topic: (5)**

**"Summer"**

Summer is the hottest season of the year. During this season the days are longer and nights are shorter. This season begins from the month of March and ends in the month of June. During this season we wear cotton clothes, drink plenty of water and fruit juices to keep ourselves cool. In this season we get fruits like mango, litchis and jackfruit in the market. The river, lakes and ponds dry up because of the heat. We enjoy swimming and eating icecreams.
