- a) We should touch electric plugs and wires with wet hands. **False**
- b) Still houses are found where it rains a lot. **True**
- c) Fruits are body-building foods. **False**

2. Choose the correct answer:

(1x3=3)

- a) Plants that need support to grow are called climbers (shrubs / climbers)
- b) We should not fly kites on the terrace (playground / terrace)
- c) We wear cotton (cotton / woollen) clothes in summer.

3. Name them:

(1x2=2)

- a) Energy giving food: rice/potatoes/sweets/butter/bread
- b) House on wheels: caravan

SECTION - B

4. Answer the following in brief:

- a) Why do we need to drink water?

(3)

Ans. We need to drink water because it helps us in digestion of food. It helps to remove waste from our body.

- b) What is First Aid?

(2)

Ans. The help given to an injured or sick person before the arrival of a doctor is called first aid.

- c) Why do we need food?

(3)

Ans. We need food to grow. Food gives us energy to work and play. It helps us to stay healthy and strong.

- d) Why should we avoid junk food?

(2)

Ans. Food such as chocolates, pizzas and burgers are junk foods. These foods should be avoided as they are not healthy for us.

- e) Why do we need clothes?

(2)

Ans. We need clothes to cover our bodies. Clothes protect us from heat, cold, rain and dust. Clothes also make us look good.

SECTION - C

5. Answer the following questions:

a) List 5 safety rules to be followed at home.

(5)

Ans. Students will write any five rules to be followed at home

b) Describe an igloo.

(5)

Ans. Igloos have rounded or semi-circular roofs. These roofs are made of solid ice. An igloo has a low and narrow entry and is warm inside.

c) Why do we need a house? Draw a kutcha house and a pucca house.

(3+2)

Ans. We all need a house to live in. A house protects us from heat, cold, rain and wind. It also protects us from robbers. We keep our belongings in the house. Students will draw as per the question.
